

A stage backdrop for a dance competition. The background is a deep blue with a complex, glowing pattern of white and purple lines that form a series of overlapping, wavy, and circular shapes, resembling a digital or fiber-optic design. Scattered throughout the pattern are numerous bright, multi-pointed starburst lights in shades of blue, purple, and white. At the top of the image, a row of stage lights is visible, with some emitting a soft purple glow and others a bright yellow or white light. The overall atmosphere is vibrant and modern.
